PRO TEC

POWER AND PROTECTION IN PRECISION

EXECUTIVE SUMMARY

Pro Tec Consolidated Sdn. Bhd., a wholly owned Bumiputera company, was first incorporated in 1991 and rebranded under its present name in 2015. Guided by a dynamic leadership team and a vision for growth, the company has built a solid reputation as a trusted partner to the Malaysian Defence Forces, law enforcement, and maritime agencies.

Holding a comprehensive suite of licenses from the Construction Industry Development Board (CIDB) and the Ministry of Finance (MOF), Pro Tec is fully accredited to undertake civil and mechanical engineering contracts, trading, and specialized services. Our strength lies in a highly dedicated team of Bumiputera professionals who combine technical expertise with a results-driven approach, ensuring consistent delivery of quality solutions.

Over the past 17+ years, we have successfully delivered mission-critical projects across land, sea, sub-sea, and air domains. We also serve as the Malaysian representative for leading international OEMs in the defence, aerospace, and homeland security sectors. By leveraging local knowledge, strong networks, and global partnerships, Pro Tec enables international principals to achieve sustainable growth in Malaysia while providing end-users with reliable products, technical support, and strategic training capabilities.

At Pro Tec Consolidated, precision, integrity, and commitment define our work. We remain focused on delivering innovative, cost-effective, and future-ready solutions that strengthen national security and advance the capabilities of our valued clients.

OUR ADVANTAGES

At Pro Tec Consolidated Sdn. Bhd., we distinguish ourselves through a proven track record, trusted partnerships, and a strong local presence that ensures reliability and customer confidence.

AREAS OF EXPERTISE

Weapons and Ammunition

We provide a wide range of weapons and ammunition, including heavy, medium, and small calibre solutions. Our portfolio covers advanced gatling guns, air-to-ground armaments, and other mission-critical systems designed to enhance combat effectiveness and operational readiness.

Parachutes

We have successfully equipped the Malaysian Armed Forces with battle-proven airdrop capabilities and tactical training support. Our offerings cover a full spectrum of military parachute systems, from airborne troop and cargo parachutes to extraction, deceleration, and emergency parachutes, along with ancillary equipment.

Pyrotechnics

As a leading supplier of pyrotechnic products to the Malaysian Defence Forces and enforcement agencies, we deliver products that include demolition stores, battlefield illumination and screening, mobility and survivability solutions, as well as training and simulation systems.

Electronic Warfare and Countermeasures

We offer a range of electronic warfare and countermeasure solutions designed to safeguard national security. These systems enhance situational awareness, disrupt hostile threats, and reduce the risks posed by criminals and terrorists, both domestically and internationally.

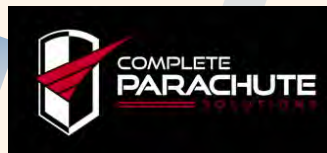

Training and Consultancy

Through strong collaboration with our international OEM partners, we provide tailored training and consultancy services. These programmes enhance the skills and operational capabilities of end-users, ensuring they are equipped to maximise the effectiveness of advanced defence and security technologies.

OEM REPRESENTATION BY PRO TEC

Pro Tec Consolidated Sdn. Bhd. is proud to serve as a trusted representative and distributor for a wide network of leading Original Equipment Manufacturers (OEMs) from across the globe. Through these partnerships, we provide access to advanced technologies, proven systems, and innovative solutions that support the evolving needs of Malaysia's defence, aerospace, homeland security, and maritime sectors.

Our portfolio reflects both the breadth and depth of our global network. By representing internationally recognised principals from the United States, Europe, and Asia, we are able to deliver products that meet the highest international standards while tailoring solutions to Malaysia's operational requirements. These partnerships are not limited to supply; they also include training, consultancy, technical support, and after-sales services that ensure long-term reliability and customer confidence.

DIVERSIFIED CAPABILITIES BEYOND DEFENSE

While Pro Tec Consolidated Sdn. Bhd. is widely recognised for its expertise in defence, aerospace, and security solutions, the company has also expanded its capabilities into the construction and infrastructure sector. Leveraging its CIDB and Ministry of Finance licenses, Pro Tec delivers civil and mechanical engineering works, facility upgrades, and essential building services for both government and corporate clients.

Recent projects include large-scale mechanical and fire prevention system installations for government complexes, educational institutions, and enforcement facilities, with individual contract values exceeding several million ringgit. In addition, Pro Tec has undertaken service, repair, and maintenance works as well as supply contracts for agencies such as Jabatan Kerja Raya and Petronas Dagangan Berhad.

This diversification reflects Pro Tec's commitment to providing high-quality, reliable, and competitive solutions across multiple industries. By extending its expertise into construction and government supply, the company continues to strengthen its role as a trusted, multi-sector partner contributing to Malaysia's national development.
